The dance year consists of dances classes from September to June.

Nearing year end productions, there will be extra practices/rehearsals.

These practices/rehearsals are mandatory, and included in the prices.

It is our firm belief that no one who wants to dance should be denied the opportunity based on finances.

Scholarships and/or reduced rates are available based on financial needs.

Please contact Mrs. Daniela Elliott to book an appointment to make arrangements.

** All prices include 13% HST
